

MUTUAL NON-DISCLOSURE AGREEMENT

This Mutual Non-Disclosure Agreement ('Agreement') is entered into on October 10, 2024, by and between **Synapse AI Labs Inc.** ('Party A') and **Horizon Analytics LLC** ('Party B').

1. Definition of Confidential Information

'Confidential Information' encompasses all technical data, trade secrets, proprietary algorithms, vector embedding weights, source code, benchmark evaluations, and business strategies disclosed by one party ('Disclosing Party') to the other ('Receiving Party'), whether verbally or in tangible form.

2. Exclusions from Confidentiality

Confidential Information does not include information that: (a) is or becomes publicly known through no breach by Receiving Party; (b) was already rightfully known prior to disclosure; (c) is independently developed without reference to Disclosing Party's Confidential Information; or (d) is approved for release by written consent.

3. Non-Disclosure and Use Obligations

The Receiving Party shall protect Disclosing Party's Confidential Information with at least the same degree of care it accords its own confidential records, but in no event less than a reasonable standard of care. Receiving Party shall not disclose any Confidential Information to third parties without prior written approval.

4. Term and Governing Law

This Agreement and confidentiality obligations shall survive for a period of **three (3) years** from the date of disclosure. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware.
